Verbal Description:

Portion of candelero w/ 2 complete & 1 partial chambers remaining. No decoration appears, but 2 large (0.8 cm diam) vent holes remain. These are rough & have quite a bit of excess clay around the exteriors with a slight depression into the clay on either side of this rim of excess clay. Excess clay also remains on top of candelero around the holes. Heavy burning in lower half - 2/3 of 3/4 of the chambers. Bottom of candelero is also heavily burnt & ~~discolored~~ lower 1 cm of outside of candelero is also very dark from heat. Rest of candelero may also be

somewhat discolored from heat, though much less than bottom.
